Representing San Luis Obispo County Employees since 1947

“In this time of economic upheaval and uncertainty, I urge each of you to remember the gains we have made, TOGETHER. Together we have strengths that none of us have individually. SLOCEA has been your organization since 1947 and I encourage you to support YOUR organization...”

Deborah Smith-Cooke, SLOCEA President

“First, I’d like to thank you for being a part of SLOCEA. Thank you also for being the part of what makes this county organization as great as it is... the employees. When I chose to run for a seat on the board as the Director for Bargaining Unit #13, I did so with a clear vision of why I wanted to be there, service to my fellow employees, my fellow SLOCEA members. My vision hasn’t become clouded in light of recent events. I remain on the board to give voice to those members that can’t be there to speak for themselves. I remain to give all within my ability to serve with integrity, honesty and loyalty. A team is only as strong as its weakest member.... I am certainly not that member. I look forward to being here to continue my service and support of you, the SLOCEA members, as a part of the Board of Directors.”

Sarah Whipple, SLOCEA Board Member

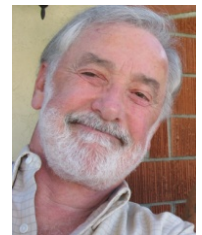

“SLOCEA has been there for us through thick and thin. They have saved countless jobs for our members and kept our families from harm. We need SLOCEA, not some unproven organization that could let us down when the fight is toughest. I strongly support staying SLOCEA.”

Gina Pinto, SLOCEA Board Member

“Overall, we found the accounting of the Association to be exemplary. Additionally, the officers need to be commended for administering the Association in such a fiscally responsible manner.”

Allen Monahan, Certified Public Accountant, excerpt from Management Letter, December 31, 2008

“I joined the SLOCEA Board of Directors in 2009 and have confirmed for myself that this is a great organization. Those that seek to harm SLOCEA are wrong and we need to stop fighting among ourselves and focus on fighting those that want to take our pensions and benefits from us. Don’t sign any petition! Only sign SLOCEA cards.”

Dan Linhares, SLOCEA Board Member
